C.I.S.V. SONG.

Here in this village you may see
Children living happily
Different race and different land
Here we come to understand
One another's point of view
Learning through the things we do
How alike am I to you

Here we live and eat and sleep
Talk and laugh and sometimes weep
Here we share our hopes and fears
Build a bridge across the years
Sow a seed and plant a tree
Beneath whose branches there may be
All the nations gathered free

That our children so may grow
In a world we did not know
Sharing all they have to give
Learning how to love and live
In our hands the future lies
Seize the moment there it flies

Stamp the present with an act
Dare to make our dream a fact
