Before arrival in Copenhagen

PLEASE TAKE A CORONA TEST. In Denmark it is not mandatory to use facemask or test regularly and we are among other people during the camp so using a facemask is at own need. People around you do not wear one. If you have fever, cough or other Corona related signs - please stay home. It is NOT possible to go to testcenter in DK.

What to bring:

- Comfy clothes for the april weather - the average temperature is between 0 and 14 in april in Denmark. And there is guarantee for rain ☔
- Paper, pens and other stuffs for becoming wiser 😊
- a mug, thermocup or similar - for saving the planet

What not to bring:

The hostel will provide all-you-can-eat breakfast each morning, fresh crisp linen and towels - SO NO NEED TO BRING.

IMPORTANT NOTICE

We are sleeping and having breakfast at one venue - and all teaching will take place at a school nearby.
It means - that all participants must come to the meetingpoints at the right time if not confident by going around in the streets of Copenhagen by themselves.
We will guide you and take care of you. And hand you a detailed map.
All transport from place to place are by foot - please bring footwear suitable for an unforeseen weather.
